nosotros SOMOS

Desde 1982 ELS BANYS está presente en el mercado de la ILUMINACIÓN como un referente del sector, tanto en calidad, como en diseño y tecnología.

Satisfacer las necesidades del consumidor, junto con el servicio y la atención directa, son las prioridades que se ha marcado desde el comienzo de la actividad.

Desde entonces hasta hoy hemos ido evolucionando y adaptando los diseños a las necesidades del mercado actual, llegando a consolidar una posición líder en el mercado.

we ARE

Since 1982, ELS BANYS is in the LIGHTING market considered as a reference company for quality, design and technology.

Priorities are satisfying customers' needs and offering the best service and attention. These points are the main principles since the very beginning of Els Banys activity.

From then, we are constantly in progress, adapting our designs to the customers' needs to keep ourselves updated and being able to offer the best choice at each moment; this has been the key point for reaching a leader position in the market.

nous SOMMES

Depuis 1982 ELS BANYS est présent sur le marché de L'ÉCLAIRAGE comme une référence du secteur, aussi bien en qualité, comme en design et technologie.

Satisfaire les besoins du consommateur, joint au service attention clientèle sont les priorités établies depuis le début de l'activité.

Jusqu'à aujourd'hui nous avons évolué et adapté les designs aux nécessités du marché actuel, permettant de consolider une position de leader sur le marché.
